

Frequently Asked Questions by Members

1. I received an email/postcard/phone call asking for my personal information and a story about Utah VFW. Tell me more about the project.

We have partnered with PCI (also known as Publishing Concepts) to produce an Oral History Publication for Utah VFW. PCI is a family owned business based in Dallas, TX that has published directories for educational institutions, fraternities, sororities, and military organizations across the nation for over 100 years. This project allows Utah VFW to hear about your personal experiences and how the organization helped to shape your life. And, while we have you on the phone, we want to make sure your contact information is up to date.

2. Does Utah VFW benefit from this at all?

Yes, in a few different ways:

- Updated Information – allows us to effectively communicate with and engage members
- Legacy – sharing and collecting stories preserves the history of our organization
- Revenue – generates membership revenue for member programs
- Pride – wearing apparel shows support and love for our organization

3. How do I know my information will only be used for Oral History Project purposes?

PCI is committed to protecting your information. The names, addresses and information provided to PCI for the publication of the Oral History Project will be held confidential by PCI, except to the extent that they are utilized in, or in the preparation of, the Oral History Project and except as required by court order or law. Upon completion of the project, PCI will redact PII (Personal Identifiable Information) from any and all electronic files that we have supplied or were produced by PCI in connection with the production of the Oral History Project.

4. I would like to verify or update my information and share a story. How may I do this?

- If you have received a postcard or an email with a telephone number, you may call the number to speak with a dedicated representative for the Oral History Project. The representative will verify the information we have on file for you, make any updates where needed, and then ask you to share your story about your time at Utah VFW. Your story will be recorded and the sound clip provided to Utah VFW at the conclusion of the project.
- If you have received an email with an embedded link, you may go to the online site to review your information and submit a story.
- If you did not receive a postcard or email, you may call the dedicated Utah VFW update line at **1-xxx-xxx-xxxx**.

5. Can I choose what information prints in the publication?

The only information that is included in the publication is your name, highest rank, and branch of service along with your story and photo. No contact information is printed. When you call to update your contact information, it will only be used to update your member record for Utah VFW.
