Undeliverable Members

Your undeliverable member do not receive dues notices!

You should try to correct the undeliverable addresses of your annual members and your life members.

This can help you pick up some members that might have renewed their membership had they been notified.

Undeliverable Members

There are numerous ways to get the information to update a members address.

- Call them using the number on their record.
- email them at the email on their record.
- There are several websites that can help you get the correct information. Some are free and more are fee based.
- Two free ones that have been recommended are www.truepeoplesearch.com and www.whitepages.com I have used both of these with some success.

Membership Recap

You can find members in your local area by reviewing the 3 Unpaid/Expiring Reports.

1. Department at large report
 2. Relocated report
 3. Prior report
-
- Find Unpaid/Relocated
 - Find Unpaid Members
-
- Remember to correct your undeliverable addresses.

Membership Recap

You can also look back to 2001 to find members attached to your Post that have not renewed their membership.

Membership Recap

Get with your Department and have them provide you with one or more of these lists to help you “Meet the Challenge” and help get your Department to 102% or more.

Remember to get the organization back over one million members we need to achieve 102% or more for the next 3 years nationally.
